## Special Lab Selection Form

Students who are still waiting to be formally enrolled in a course and need to sign up for a lab (e.g., you are awaiting a course permission code) should use this form to select labs.

List as many labs as you are able to attend, as your first preference is not guaranteed.

**Do not use this form if you will not be officially enrolling in a course or are already formally enrolled.**

To see which of your lab selections you have been enrolled in, log on to Wattle and check the lab lists in the on-line lab sign-up system – refer to the Psychology website for detailed instructions.

**COMPLETE A SEPARATE FORM FOR EACH COURSE IN WHICH YOU ARE APPLYING FOR SPECIAL LAB SELECTION**

**When you have made your lab selections, return this form to the Psychology Office**
